HUNTING TROUBLE

An acquaintance of ours from Opp was arrested for driving 70 miles an hour, and in answer to the Judges question as to the reason for such speed exclaimed: "My wife had decided to go back to her folks, and I wanted to get her there before she changed her mind." We've not changed our mind one bit about ours being the best place to buy Goodyear tires because continual commendation convinces us that the popularity of this brand must be deserved

HUNTING TROUBLE

An acquaintance of ours from Opp was arrested for driving 70 miles an hour, and in answer to the Judges question as to the reason for such speed exclaimed: "My wife had decided to go back to her folks, and I wanted to get her there before she changed her mind." We've not changed our mind one bit about ours being the best place to buy Goodyear tires because continual commendation convinces us that the popularity of this brand must be deserved

Unsolicited Testimonials Emphasize The Superiority of

Unsolicited testimonials from thousands of Motopower users who are saving gasoline consumption and adding new operating life to their motor should be of interest to every motorist.

"I am getting three to five more miles per gallon on your Motopower Gasoline." Saving in gasoline cost \$3.00 to \$3.50 per week has been made possible with Motopower on the same haul." There's a big difference in Motopower, my motor runs much smoother and has more

These remarks are similar to thousands that are being made by those who have been acquainted with the superior operating performance afforded by Motopower Gasoline.

Fill your tank to-day with Motopower, use it regular and watch the results. Same Price.
